Reg. No: AD-9789/03.04.2015

LETTER OF REFERENCE

This is to certify that we, Philips Bulgaria EOOD, have a successful cooperation with SOFITA Ltd. since 2005, where SOFITA has been providing translation services in the medical field (medical devices and medical equipment manuals), mainly from English into Bulgarian languages.

The number of translated pages from English into Bulgarian is approximately 5000 standard pages.

We can confirm that the translation assignments were carried out correctly, in time and complied with our requirements.
